Specifications

glassSCREENS>Shield>Framed

Easy to mobilize and provides an effective screen for commercial transactions and helps reduce airborne transmissions. This self-standing unit has multiple configurations including a transaction opening below the screen. The glassSCREEN>Shield is made with 1/4" tempered glass with polished edges that is non-porous and easy to clean.

APPLICATIONS —

Protection for staff and for clients, customers, visitors.
Work station protection, Lobbys, Reception Area, Hospitals, Restaurants, Cafeterias, Transaction Areas.

HARDWARE MATERIALS/FINISHES —

- MFSA (Satin Anodized)
 - MFBL (Black Anodized)*
- *Available per request

PANEL WIDTHS (OVERALL MAXIMUM)

Up to 56"
Larger sizes available with engineering approval

PANEL HEIGHTS —

Up to 44"
Larger sizes available with engineering approval

MOUNTING OPTIONS —

Free Standing, VHB, Clamp, Mechanically Fastened

GLASS THICKNESS —

1/4" [6mm]

WARRANTY —

10 Year Limited Warranty

TYPICAL DETAILS

Shield > Frameless > Horizontal

Shield > Frameless > Horizontal

(GS-VP-XFH)

Specifications

glassSCREEN>SHIELD>Frameless>Horizontal

Easy to mobilize and provides an effective screen for commercial transactions and reduces transmission of COVID-19 Corona virus. This self-standing unit is available with a gap underneath to pass documents. The glassSCREEN>SHIELD is made with tempered glass with polished edges that is nonporous and easy to clean.

APPLICATIONS —

Protective barrier between two people to help reduce airborne transmissions. (typ. applications: Retail, Banks, Pharmacies, Gas Stations, Convenience Stores, Offices.)

GLASS THICKNESS —

Divider Glass: 1/4" [6 mm]
Support Glass: 5/16" [8 mm]

PANEL WEIGHTS —

System Weight - approx. 33 lbs.
glassSCREEN must always be placed on a level, adequately stable surface.

DIMENSIONS —

Height: 26-3/8" (with transaction gap),
25-9/16" (no transaction gap)
Width: 40-9/16"
Depth: 11-13/16"

SHIPPING & ASSEMBLY —

System comes shipped in flat box and ready to assemble (see assembly page for instructions).
Option: Flip support legs to allow gap for document transaction.

WARRANTY —

10 Year Limited Warranty
