INTEGRA>WM
Specifications

**integraSOLID > WM (CB_INTGR-WM)**

The integraSOLID > WM series sink module with Multiconsole > A is an all-in-one solution that incorporates all necessary commercial bathroom services into one unit that is easy to install and aesthetically superior to other sink units. This version of the Integra series is ideal for retrofits and renovations where new partitions are not being constructed or access to them is limited. The Multiconsole > A features a prefabricated unit with dryer, soap dispenser and faucet included in one housing that is easy to install and even easier to remove (secured with a tamper-proof fastener) and maintain. The minimal 3/8” thick shelf dispenses air, soap and water without additional fixtures to clutter the sink area. The LED back-lit mirror has LED indicators to show where the dryer, soap dispenser and faucet are below the shelf.

**APPLICATIONS**
Renovations, retrofits, historic buildings, commercial bathrooms in airports, offices, entertainment venues, sports clubs/facilities, gyms/spas, administrative buildings, hospitality.

**CONFIGURATIONS**
Single, double and triple basins available as standard. More positions as single unit available upon request.

**FUNCTION**
All-in-one sink basin, mirror and services (dryer, soap dispenser and faucet).
